THIS IS NOT an approval sale.

We invite all mail bidders to bid on all lots in all sessions. There is no commission charge for executing your bids. The bid sheet may be used for bidding on any lot in the sale. Bid WHAT YOU THINK THE LOT IS WORTH.

Bids must be received on or before May 20 at the Marion Hotel, Salem, Oregon, 6:00P.M. for the Friday evening session, and by 12:00 noon May 21 for the Saturday afternoon session. Bids for the mail session, part 3, must be received before the close of business Monday, May 23, 1960.

ADMISSION TO FIRST TWO SESSIONS PERMITTED TO CATALOG HOLDERS, CLUB MEMBERS AND THEIR GUESTS ONLY.

PLEASE RUSH . . . but don't neglect to check your bid sheet as errors are costly, and on occasions make for unpleasant business relations.

In this sale duplicate lots will be sent where possible.

ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) worth of numismatic material will be sold from this catalog, and it is with pride and humbleness that I accept the responsibility entrusted to me by the various consignors.

The following can hardly be classified as a numismatic item, although it served its purpose in being used in place of money. Namely a sterling silver railroad pass, 1-1/2" X 1-11/16", issued to one Geo. Fisher by the Rio Grand & Southern RR. and the Silvertown RR. The first being written across the top, and the second across the bottom in embossed lettering, with the word "PASS" and "1892" being at opposite ends on the obv. All of this on a background of the finest hand tooled scroll work I have ever seen. The name Geo Fisher and #110 being on a solid center pce, 5/8" X 1-1/2". We place this item in this session so as to be able to show the piece. ?????

I am unable to authenticate the following information, but I have been informed by the party who brought these to me that he acquired same while being with the American Expeditionary Forces in Siberia, same being used by its members due to a lack of contemporary monies. The pieces are Russian copper 2 kopek pcs with the obv. shaved off and the word Siberia engraved on each with 2 flourishes above the word and 3 below. I have never seen these before, and have no idea of their value. 3 pcs. ?????

The following can hardly be classified as a numismatic item, although it served its purpose in being used in place of money. Namely a sterling silver railroad pass, 1-1/2" X 1-11/16", issued to one Geo. Fisher by the Rio Grand & Southern RR. and the Silverton RR. The first being written across the top, and the second across the bottom in embossed lettering, with the word "PASS" and "1892" being at opposite ends on the obv. All of this on a background of the finest hand tooled scroll work I have ever seen. The name Geo Fisher and #110 being on a solid center pce, 5/8" X 1-1/2". We place this item in this session so as to be able to show the piece. ?????

I am unable to authenticate the following information, but I have been informed by the party who brought these to me that he acquired same while being with the American Expeditionary Forces in Siberia, same being used by its members due to a lack of contemporary monies. The pieces are Russian copper 2 kopek pcs with the obv. shaved off and the word Siberia engraved on each with 2 flourishes above the word and 3 below. I have never seen these before, and have no idea of their value. 3 pcs. ?????

467	1959-P	SILVER CENT, struck on a dime planchett. BRILLIANT UNCIRCULATED. Perfectly centered. VERY RARE. Of the three specimens known to me this is the most perfect. Worthy of a home in the most discriminating cabinet. For this freak I would have no qualms in asking	350.00

COMPLETE HAWAIIAN SET. BRILLIANT UNCIRCULATED, with exception of the half dollar which is a PROOF. Contains 1847 cent, 1883 dime, 1883 quarter, 1883 half dollar, and the most beautiful uncirculated dollar I have ever seen. There are not enough adjectives available to describe this set. With the popularity these pieces have attained since we now have a State of Hawaii, and the demand for the coins, this set may exceed

500.00

749	Here is a well matched complete set of Carson City Silver Dollars, seated Liberty type, 1870-CC, 1871-CC, 1872-CC and the ever elusive 1873-CC - all in Fine to Very Fine condition, mounted in a black plastic holder. Very rarely are these offered as a complete set - and it would not surprise me if this set brought		1,500.00

761	NORTH CAROLINA GOLD DOLLAR, C. BECHTLER. RUTHERF: 28G, WITHOUT STAR. One of the best condition ones of this rare coin I have seen. Only the slightest amount of wear. The best one the old timer who had it could locate. I can't exactly say what a rare coin like this will sell for today, but from what I have seen other coins much commoner go at, I would say this one should bring		750.00
-----	--	--	--------

- 762 GEORGIA GOLD \$2.50, Bechtler. Rutherford., 64 Gr. 22 Carats-EVEN 22. Looking closely, I see the As in Carats are UPSIDE DOWN Vs (the catalog doesn't say anything about this). Only a very slight amount of wear. From the same party as the last coin, and the best he could find. The catalog quotes a Fine one @ 300.00 but I would like to buy some at above that figure. This BEAUTY is worth at least five times what a worn one (fine) is worth. Over the counter I would ask not less than ... 1,250.00
- 763 CALIFORNIA TEN DOLS. Augustus Humbert, United States Assayer of Gold. California, 1852 OVER 1, like the 1852 over 1 Twenty Dols. (an "expert" said this was so). This indeed must be a VERY RARE TYPE SINCE IT IS NOT LISTED IN THE CATALOG. This choice piece looks Uncirculated except for slight wear and the usual small nick or two which is characteristic of practically all of the soft California Pioneer pieces seem to have. I expect to see this one top 1,500.00
- 764 CALIFORNIA TWENTY D. United States Assay Office of Gold, San Francisco, California 1853. The plastic in which it is mounted says "re-engraved 9" giving it the appearance of being 900 OVER 800 THOUS. I have seen this type advertised before. Uncirculated with usual tiny marks. I know of one not near as nice which in a private sale sold for 1,000.00
- 765 SAN FRANCISCO, CALIFORNIA TWENTY D., KELLOGG & CO., 1855, some wear and usual tiny marks, but fairly sharp and grades Extra Fine to Abt. Uncirculated. In this condition, when available sells rapidly at 400.00
- 766 COLORADO GOLD, TWENTY D., CLARK GRUBER & CO., 1860, PIKES PEAK GOLD, DENVER with Pikes Peak in center, Mounted in plastic, a beauty, UNCIRCULATED. I about jumped out of my shoes when I first saw this one, but it turns out to be copper with gold plating. Still, it is not to be sneezed at as the regular 1860 was bid in at 4,700.00 in an eastern auction early this year, against an estimated value of 5,000.00, and it wouldn't surprise me to find this one bid in at over 1,000.00
- 767 COLORADO GOLD, TEN D., CLARK GRUBER & CO. Denver, 1861, PIKES PEAK, a real BEAUTY, was going to call it about uncirculated, but an authority on pioneer pieces tells me that what I had thought to be wear on the eagle's neck and left wing tip are actually discrepancies in the dies from which they were struck. Also that this was the best one of these he had seen, and he had seen worse called uncirculated. Worth 485.00
- 768 COLORADO GOLD, TWENTY D., CLARK GRUBER & CO. Denver, 1861, PIKES PEAK, a real BEAUTY, the only thing I can find wrong

is a few of the usual tiny nicks in the space between the head and the edge. I checked with an expert who said it is gold plated instead of the usual one. It is mounted in plastic but the envelope which came with it indicates it was bought from a California dealer @ 350.00 for copper then plated. The regular piece in a grade of "almost extremely fine" in an eastern auction earlier this year (est. value \$2,000.00) was bid in at \$1,500.00. I expect this to go at a little over 500.00

AUGUSTUS HUMBERT \$50 GOLD "SLUGS"

These, as every collector knows, are the most popular pioneer pieces. There is always someone wanting "a gold slug". They are still "reasonable" compared to other pioneer pieces of lesser denominations. One of our popular eastern dealers has been buying up and studying the pieces, and claims there are more types than are in the catalog, (usually sell him one or two, whenever I see him, if I have any). Whenever he gets around to publishing his book, I expect to see a substantial rise in prices in this popular series, and the demand greater than ever.

769 1851 50 D C, 887 THOUS. "AUGUSTUS HUMBERT UNITED STATES ASSAYER OF GOLD CALIFORNIA 1851" sunk in edge, "50" in center of target on rev. when turned over sideways I notice the "50" IS UPSIDE DOWN. A BEAUTY, the coin would grade out About Uncirculated, with the usual tiny nicks (some dealers call them abrasions) which I have seen on all the slugs. Mounted in a nice gold stamped plastic holder. The catalog places the highest value of any of the Humbert slugs on this type so it must be EXTREMELY RARE. I see some of the dealers are saying this is a UNITED STATES COIN since it has "UNITED STATES OF AMERICA" on it. I saw one of this type last November at the Cal-State Convention in a dealer's case in almost the same condition, and had it priced at 5,850.00

770 1851 FIFTY DOLLS UNITED STATES OF AMERICA, with AUGUSTUS HUMBERT UNITED STATES ASSAYER OF GOLD, CALIFORNIA around the outer edge of the obv. REEDED EDGE, 887 THOUS. Mounted in plastic with "OBVERSE SIMILAR TO REGULAR 1851 BUT REVERSE OF 1852 WITH SMALL CENTER TARGET AND SMALL OUTER RING. UNLISTED MAJOR VARIETY. I checked on this and found that James Kelly had first discovered this type four or five years ago, and that only two had been discovered since then. This is a nice VERY FINE coin, without any big nicks or bumps that most of them seem to have, but with the usual tiny nicks. A rare type like this, when it is put in the catalog, should have a value of at least 9,250.00

771 1852 AUGUSTUS HUMBERT, the last one listed in the catalog. This one originally came from a dealer with the following description. "AUGUSTUS HUMBERT \$50 1852, 887 THOUS., reeded edge. Different rev. than the 1851. FINE. VERY RARE. After careful research, the records indicate that the 1852 is about 10 times as rare as the 1851." This is further borne out by the fact that early in 1852 the "United States Assay Office" sup- planted Aug. Humbert. This one would be a buy at 2,500.00

772 BRILLIANT UNCIRCULATED, mounted in plastic. The last coin the old timer got. This he purchased just after selling his half eagle collection. To quote him, "I waited many years for this one, and even though I had sold my collection of fives, I couldn't resist owning it!! For years I had offered to pay double the Guide- book price or even more, but none of the dealers could deliver. Finally, when the Standard catalog came out in 1957 and said only 7 or 8 known, I could readily understand why I wasn't able to locate one!" In looking for a clue as to its real value I looked in the standard catalog and found that the 1815 ALSO HAD ONLY 7 OR 8 KNOWN. The Guidebook places a valu- ation of 3,250.00 on the 1815, (I would like to pur- chase one of these at this figure) so why isn't the 1824 worth the same? I expect to see this one bring over 3,750.00

773 UNIQUE - 1904 LOUISIANA GOLD DOLLAR - THE ONLY ONE KNOWN

LOUISIANA PURCHASE EXPOSITION, OFFICIAL SOUVENIR, rev. LOUISIANA TERRITORY ST. LOUIS 1904 around map of the United States outlining the Louisiana Territory with 1803 - 1,000,000 SQUARE MILES \$15,000,000. LISTED IN KENNY AS #57. THE ONLY ONE KNOWN STRUCK IN GOLD. Coined by the U.S. Mint machinery in the U.S. Gov't. Bldg. in St. Louis in 1904. This piece was sold in late 1957 for 2,750.00 by a leading dealer. What it is worth now is anybody's guess. EVERY SO-CALLED DOLLAR COLLECTOR CAN USE IT. AND WHOEVER OWNS IT PLACES HIS COLLECTION AT THE PINNACLE OF RARITY AND INTEREST. Having sold quite a number of these so called dollars since 1957, I realize the growth in interest in this field. And if this piece was worth \$2,750.00 in 1957 today it should fetch at least 4,000.00

What could be nicer than to end the public sessions
of this sale with than a COMPLETE SET OF PROOF AND
UNCIRCULATED FLYING EAGLE AND INDIAN HEAD CENTS
1856 - 1909-S

- 774 The ever-popular 1856 is in PROOF, and the 1909-S is
Uncirculated, all the remainder are either PROOF OR
UNCIRCULATED, MOSTLY BRILLIANT, a few are turning ir-
idescent. This set is far above average. The party
who put this together told me he paid premium prices
to obtain many of these, and he bought only the best.
Broken down today this set would sell at over 2,500.00
(The above set is mounted.)
